## SELECTMEN'S SUMMARY AND RECOMMENDATIONS

---

To the taxpayers, the voters and residents of the Town of Danbury:

The selectmen submit herewith their annual report for the year 1951 just passed. This contains a record of the activities of the two divisions, the Town and Schools, and a brief record of the Municipal Court, Library and Volunteer Fire Department.

The voters at the March meeting voted \$6,818.62 for its 1951 fixed budget under Article Number 2, of which we spent \$6,732.34.

Highways: Under Article 3, there was raised \$3,000 for highways. This had to be divided three ways. (a) Summer maintenance. (b) Winter, plowing snow, putting up and taking down snow fence. (c) Supplies, such as maintenance of equipment, bridge plank, etc. We were very unfortunate the past year by having two bad wash-outs, causing considerable highway damage. Knowing it would be a hardship to the taxpayers and cost them more than they could afford to pay, through cooperation of our local and division engineers of the State Highway Department we obtained the permission to divert \$2,800 state money together with \$2,497.03 town highway money for this purpose. With this we repaired our flood damage the best we could. Although the roads are not wholly back to normal condition, we are in hopes to better them in 1952.

Under T.R.A. our money was distributed on High street, North road, and new construction on the eastern section, starting at the end of the blacktop near Judge Sheldon's. It is our intentions that next year's project start where we left off and proceed by the Wells farm to

the blacktop road, known as Lund's corner, as this money has to be spent on a continuation of a road already started which has a definite ending on some through highway. We cannot spend money on a dead end road.

For the Library, American Legion, Fire Department, and Care of Cemeteries, you raised all that was asked for, and it was enough to take care of their needs. As this was a small amount, considering the officers receive no money for the work they do, we think you should appropriate what is asked for their support this year.

We will pass articles 9 - 10, only to say that giving a discount on taxes, which is a saving to an individual tax payer, is an added cost to the town.

Article 11 we leave up to you. Some say yes, and some say no. We, as town officials, are neutral. In the past we have been benefited one year, and not the next, but as a whole we think it money well spent, looking to the future, if the advertising will bring some of our vacant houses and old cellar holes on our traveled highways into use. It will be of no extra expense to us, but an added revenue will be received should some one decide to repair or rebuild.

Blister Rust: We have the town nearly covered the first working, and a lot of the second completed. At the last session of the Legislature there was passed a law compelling the towns to pay not to exceed \$400 a year for its control. As our town has already been mapped, our infested area nearly completed, and as when the second working is done it will be a Federal Project, we suggest you vote the \$400.00.

Old Age Assistance: We have asked for an increase this year in our budget. The reason for this is that the State has added \$96 a year per person receiving assistance for a medical pool, this is something added, as we are still receiving Hospital and Doctor bills. In 1951 you raised \$2,000. We did not exceed the amount, but with an added list and higher costs, we expect our 1952 amount will be larger.

Bridges: Last year you raised an extra \$500 for bridge repairs. This work has not been completed.

The only added appropriation we ask for is an extra \$500.00 for highways, to help finish repairing the damage caused by the flood.

Finally, as everything is on an upward trend, living costs are higher, Government and State taxes are at their peak, there being no industrial enterprise in town thereby producing a steady income, we would like to keep the appropriations to a minimum. We reduced the net debt of January 1, 1949 of \$3,063.81 to the present debt of \$134.01 in the last three years. We adopted a policy, not to exceed the appropriation when it was possible to do so.

**TOWN WARRANT**

The State of New Hampshire

---

To the Inhabitants of the Town of Danbury in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Danbury on Tuesday, the eleventh day of March, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town expenses for the ensuing year and make appropriations of the same.
3. To raise such sums of money as may be necessary for the maintenance of highways.
4. To see if the town will vote to raise \$763.07, TRA money and receive State's contribution of \$5,087.13.
5. To see what sum of money the town will raise for the George Gamble Library.
6. To see what sum of money the town will vote to raise for the Danbury Volunteer Fire Department.
7. To see what sum of money the town will raise for American Legion for Memorial Day.

8. To see what sum of money the town will raise for the care of cemeteries.

9. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes.

10. To see if the town will vote to give a discount on taxes.

11. To see if the town will vote to raise and appropriate a sum not exceeding one-hundredth of one percent (1/100 of 1%) of the net assessed valuation based on the assessment of 1951 for the purpose of publicizing and promoting the natural advantages and resources of the town, together with other towns in the Dartmouth-Lake Sunapee Region Association. (Est. amt. \$40.70).

12. To see if the town will vote to raise \$400.00 for Blister Rust Control.

Other articles will be added before warrant is posted.

## APPLICATION FOR CLASS IV AND CLASS V CONSTRUCTION & RECONSTRUCTION AID

(Chapter 83, Laws of 1951)

### Town of Danbury

---

We, the Selectmen of the Town of Danbury, request aid from the N. H. Department of Public Works & Highways for damage to Class V highways in excess of  $\frac{1}{8}$  of 1% of our valuation. This damage was caused by the wind and rainstorms of November 26, 1950 and April 3, 1951.

We requested Mr. F. A. Brown, Division Engineer at Lebanon, to survey the remaining damage. Mr. M. G. Lamper, Maintenance Supervisor, surveyed the damage with us on April 24, 1951, a report of same is listed below and locations shown on the attached map.

81	No. 1	Danbury Inn Rd.	0.70 mile	\$ 600.00
79	2	Jones Road	1.50 mile	500.00
75 & 77	3	New Canada	2.20 mile	500.00
75	4	Morrison	0.50 mile	200.00
75	5	Betts	.40 mile	200.00
76	6	Hiller	0.60 mile	200.00
90	7	Sullivan	0.40 mile	500.00
98	8	Baker	0.30 mile	100.00
<hr/>				Total \$ 2,800.00

We have expended to date, April 24, 1951, \$2,497.03 and from the above survey will need \$2,800.00 more to complete the repair. We have used all the Town highway funds now available without borrowing.

We would like to make the following arrangement.

Town Valuation	\$ 403,293.00
----------------	---------------

Amount equal to $\frac{1}{8}$ of 1%	504.12
-------------------------------------	--------

Amount expended to April 24, 1951	\$ 2,497.03
-----------------------------------	-------------

less amount equal to $\frac{1}{8}$ of 1%	504.12
--	--------

---

Amount in excess of $\frac{1}{8}$ of 1%	\$ 1,992.91
---	-------------

Funds due from the State

Duncan Law	\$ 3,008.90
------------	-------------

Town Road Aid	5,851.11
---------------	----------

---

Total	\$ 8,860.01
-------	-------------

Total Estimated Damage	\$ 5,297.03
------------------------	-------------

less amount equal to $\frac{1}{8}$ of 1%	504.12
--	--------

---

Total	\$ 4,792.91
-------	-------------

Proposed use of funds from the State

Total Damage	\$ 4,792.91
--------------	-------------

Use of Duncan Law	\$ 3,008.90
-------------------	-------------

Use of Town Road Aid (Part)	1,784.01
-----------------------------	----------

4,792.91
----------

---

0.00
------

We request \$1,016.00 of the Duncan Law apportioned to the T.R.A. account and the balance to be sent to the Town.

**DANBURY VOLUNTEER FIRE DEPARTMENT**

We are glad to report that the Fire Department has progressed during the past year. As you can see by the treasurer's report, the actual expense of running the department was \$714.56. This includes fuel, oil and gas, repairs, insurance and equipment. We asked the town last year for \$500.00. The excess was paid out of our own funds. We also paid out \$258.53 for material, etc., for the renovating of the building. We expected to have this finished but didn't quite.

We still have to lay the floor, paint the outside, etc.

The two men showing on the treasurer's report as having donated labor, worked many days for no pay. We figured they had done more than their share and offered to pay them for future work. They worked on the stairs, doors, and inside finish, etc. They put in a bill and split it, donating one half of their time.

Many of the men worked many hours of their time and also donated their labor.

This shows good spirit and interest in the department.

We also had substantial donations of lumber, etc., by Axel Bergstrom and others.

We were very lucky this year to have had only seven fires, most of them chimney fires. We hope this luck continues.

We have asked the town for \$500.00 this year. We feel that the expense will be less than last year. We had to have one of the trucks overhauled during the year which made last year's expense more than anticipated.

We wish to thank everyone for their support and interest and we will try to conduct the department so as to deserve it.

CLARENCE E. FORD, Chief

FRED G. HOPPER, Commissioner

RAY J. MARTIN, Commissioner

FRANCIS O. SHELDON, Commissioner

**Treasurer's Report for Year Ending Dec. 31, 1951**

Valued amt. total \$ 162.38

**Treasurer's Certificate**

I certify that this is a true and correct report of the treasurer's records for year ending Dec. 31, 1951.

FRANK CLEWS, Treasurer.

**FOREST FIRE WARDEN'S REPORT****Charles C. Morrison, Warden****Roy K. Sargent, Assistant**

Your Warden has very little to report this year, thanks to all who cooperated, especially to all members of the Danbury Fish and Game Club, who did so much watching for fires while fishing. They cautioned all fishermen they met who were not members of the club to PLEASE be careful and not throw down a lighted match, and especially watch their cigarettes and pipe tobacco.

We have had no forest fires this year. The only expense to the Town amounts to \$6.54, the expenses of the department attending an instruction meeting in Bristol, and a false report at Wells Brook.

**REMEMBER:** Always get a permit before kindling outdoor fires. Each year all outdoor incinerators and fireplaces must be inspected before a permit is granted. Be sure and get your permit before using them.

Your District Chief, James Q. Ricard, of Canaan, and your local warden wish to thank all for their wonderful cooperation.

I have issued the following permits:

- 30 permits for brush and rubbish
- 20 permits for incinerators
- 5 permits for S.P.S. camp fires
- 1 permit for charcoal kiln
- 1 sawmill incinerator

I would especially thank my deputies, Rand C. Ford, Reginald Glines, and Everett M. Heath, for posting the signs beside the road and brooks while fishing, at no expense to us.

CHARLES C. MORRISON,  
Forest Fire Warden,  
Danbury, N. H.

## SCHOOL DISTRICT OF DANBURY

---

### SCHOOL DIRECTORY

#### District Officers

Earl W. Lund	Moderator
Dorothy Heath	Clerk
Arlene Chellis	Treasurer
Ray J. Martin	Auditor

#### School Board

Roy K. Sargent	Term expires 1952
Beulah Ford	Term expires 1953
Edna Powers	Term expires 1954

#### Teachers

Mrs. Hulda Currier	South
Miss Gladys Cooper	Center
Mrs. Gladys Twomey	Elmwood

#### Attendance Officer

Roy K. Sargent

#### Superintendent of Schools

C. Maurice Gray

#### School Nurse

Grace Filfalt, R. N.

### SCHOOL CALENDAR

Open September 3	Close Nov. 26 - 12:30
Open December 1	Close Dec. 19 - regular session
Open January 5	Close February 20
Open March 2	Close April 24
Open May 4	Close completion 180 days

Days out: Nov. 27, 28 - single session on Nov. 26.

Total number of days required by State Board is 180 including three for institutes and conventions, and up to five for workshops.

Pupils may enter the first grade provided they are 6 before January 1.

Vaccination is required by state law unless child has written excuse from doctor.

**ANNUAL REPORT OF  
School Treasurer and School Board  
Fiscal Year Ending June 30, 1951  
Treasurer's Report**

**Summary:**

Cash on hand June 30, 1950	\$ 310.88
Received from selectmen, appro.	\$ 12,898.49
Income from trust funds	48.00
Received from State Treas. state aid	4,882.44
Received from all other sources	80.00

## DANBURY SCHOOL REPORT

---

### Superintendent's Report

The past school year has been marked by the biggest material gains for a long time. Canaan has built and is now occupying a 10-room elementary school, Bristol's memorial school is now nearing completion and several other milestones have been passed. Hebron completely rebuilt its school adding a heating room and now has one of the best, if not the best, rural school in the state. Groton added automatic oil to its school, Bridgewater completed the furnace room, insulated, and painted and the other towns did significant amounts of maintenance. A great deal of repair and maintenance work has been done in the past five years and systematic programing of work should be continued. This may be done in some districts on a lower per year cost but it is questionable economy over a period of years to do nothing and then try to "catch up" for the years past. This may work well only in case such work is done on the down swing of an economic cycle but the chances seem just as good that they might have to be done on the reverse swing with inflated prices. A moderate amount of money on a yearly basis should now keep most of our buildings in good repair.

Our most successful workshop of the four was held this year on "Improving Reading". The teachers through their own members organized this, secured the speakers, and in general planned and executed the whole thing, a very fine achievement. After experimenting with various times of the year the Labor Day week was selected and proved a fine choice. Efforts will be made in the future to hold workshops during that week if possible. It is not a good week to obtain speakers but otherwise seems perfect. There will be no workshop next year since we all feel that we need a year to consolidate what gains we have made and to work continuously on reading and related problems. For once Union No. 4 seems to be in

front of a modern swing in educational circles back to more of the fundamentals. However, we should not feel too elated over this since we are in the fore only because we've never had the time or money to be greatly concerned with educational frills and it may be more truthful to say that the parade has made the cycle and finds us on its return trip! In spite of all modern theories and practises if we can keep classes small enough and staffed well enough so that we do not lose sight of the individual child and do the best we can for him in school and out we will not err too much and our pupils will have a solid foundation.

This "reporter" believes in trying to keep well informed and to keep others with whom he works well informed. To overlook the fact that we do not live by ourselves alone and that we are in a highly competitive society would be disastrous to our children. Potentially excellent teachers, and even some of fine experience, are being drawn away from teaching by better paying positions either in the semi-skilled or skilled trades. Just one instance will show this. During the past week a representative of the federal government was in a high school looking for typists to start at over \$2700.00. We have 19 teachers, most of several years experience, getting \$2300 or less! A small chart showing comparative salaries for the current year follows:

	Male Ele- mentary	Female Elementary	Male Sec- ondary	Female Secondary
State Ave.	\$ 2,807	2,737	3,391	3,092
Union No. 4	\$ 2,750	2,225	3,233	2,633

Beginning teachers with degrees are being placed at \$2,400 or more and it is rumored that the asking price this year will be \$2,500 or \$2,600.

The new State Aid distribution of funds made a good start towards reducing the spread in tax rates for education. It would have done more had the formula been covered with the necessary funds. How much it did to improve education would be a highly debatable

point since in this area the money was used to reduce the tax levy. As long as great uncertainty continues to exist on formulas, amounts etc. it will be used in this respect. It would be naive to urge a couple of school districts to expand either its program or its plant promising that "state aid" would help pay the bill. This is being pointed out here merely to forestall critics who may ask to see the "improvements" made by these funds; in this area they reduced the tax rate. The tax rates would have been reduced still more had the \$2,000,000 been voted. Expressing it another way would be to say, that failure to vote \$2,000,000 increased the tax assessments and those who howl against sales or other new taxes are blind to the fact that the legislature did not save the tax payer money in refusing to vote the \$2,000,000; it merely passed the educational tax bill back to the local property owner who directly paid more than he otherwise would. The next table shows the nine towns in this area and how they compare with one another and with the state average.

District	Adjusted							1951-52	
	1950 Valuation	Adjusted pr Pupil	Rsdts ppds	Cost of Foundtn	17 Mill local	Aid prorated	Sch Tax on adj	Valuation	
Alexandria	785,385	11,124	54.1	16.5	13,180.00	13,351.55			18.26
Bridgewater	1,146,245	34,013	25.7	8.0	6,297.50	19,486.17			8.15
Bristol	3,835,379	14,803	186.7	72.4	48,962.50	50,652.01	44.44		22.05
Canaan	2,082,898		7,746	221.9	47.0	49,407.50	35,409.27	7,564.52	21.93
Danbury	676,141	6,421	78.0	27.3	19,792.50	11,494.40	4,484.22		21.62
Grafton	792,402		9,389	66.4	18.0	15,670.00	13,470.83	1,188.41	20.88
Groton	514,460		32,154	12.0	4.0	3,000.00	8,745.82		11.05
Hebron	795,752		55,261	10.4	4.0	2,720.00	13,527.78		7.18
Orange	202,833	10,906	15.7	2.9	3,400.00	3,448.50			20.86

Several things should be noted in the above chart:

1) Adjusted valuations vary from \$6,421 per pupil in Danbury to \$55,261 in Hebron.  
 2) Bristol has the highest school tax rate with \$22.05 and Hebron the lowest with \$7.18 with Bridgewater not far behind with \$8.15. The state median of \$19.99 should be noted here.

3) Alexandria and Orange just miss qualifying for aid; they would qualify with a few more pupils provided the percentage of increase were greater than the average for the state.

4) The spread between the cost of the foundation program and the 17 mill share shows that Bristol would need many more resident pupils to qualify, that Groton, Hebron and Bridgewater will probably never qualify on this basis. These towns will receive aid from the state only when so-called general aid becomes available i.e. a blanket amount per pupil without using millage or anything else.

If Danbury were in Grafton County we would be hearing much about the need of improved sanitary facilities and flush toilets due to the activity of the State Health Inspector. Even though such is not the case we ought to be giving it some thought and we have since some people would like a new school. Certain it is that it would be foolish to try to get flush toilets into the existing buildings because the sum total of the necessary amounts would be surprisingly large because of the need of water supply and necessary heat and building changes. On the other hand the amount needed for a new school either for Danbury alone or in conjunction with Grafton would be a large amount too. However, surprising things have happened in Union No. 4 and so we still live in hope. A rather careful study of the situation makes me believe that a building more or less on the type of Canaan's could be built by local men under a good supervisor within the legal debt limit, especially if Danbury and Grafton combined. Canaan's building was constructed at a per room figure still unbelievable, \$9,400!

Danbury's \$4,484.22 State Aid is 54% of what the formula would have given Danbury had the legislature appropriated money enough to cover it. It should be obvious to all that Danbury could use \$8,000 in State Aid especially if we are ever to show additional progress. The extra \$4,000 would more than pay the principal and interest charges possible within an 8% bonded indebtedness. As a matter of fact it would pay more than twice that amount. No great increases in State Aid will be received until new sources of state revenue are found. In the meantime the local property tax owner will continue to assume most of the increased costs of the spiral of inflation caused by forces over which we have little control, and then only indirectly. It should be noted again that the amount we did receive went entirely for tax relief and not for improved educational facilities.

Respectfully submitted,  
C. MAURICE GRAY,  
Superintendent of Schools.
